**INDUSTRY WELCOMES SEBI'S DECISION**

# Separation of chairperson, MD positions voluntary

**New Delhi:** Industry bodies on Tuesday welcomed Sebi's decision to make it voluntary for listed firms to separate the positions of Chairperson and MD/CEO, stressing that leadership arrangements are best left to the discretion of boards and the shareholders. Capital markets regulator Sebi on Tuesday said the requirement to split Chairperson and Managing Director/Chief Executive Officer positions at listed companies will not be mandatory and will be implemented on a voluntary basis.

The listed entities were required to split the roles before April 2022. "CII had submitted that the amendment with regard to separation of roles of Non-Executive Chairperson and MD/CEO could lead to over-regulation and act as an impediment to a conducive business environment," CII Director General Chandrajit Banerjee said. "The provision that Chairman and

MD/CEO should not be related, could be onerous and may not be required, especially in the light of sufficient checks and balances present in the existing regulations to counter any potential ill-effects of such a situation," he added.

Banerjee observed that the decision may be left to the discretion of boards and to the will of shareholders and it is important that Indian entrepreneurs are not placed at a disadvantage by imposing such requirements. FICCI Director General Arun Chawla said, "FICCI is grateful to the Regulator for appreciating industry's issues with mandatory separation of Chairman and MD/CEO position and addressing the concerns of industry especially India's invaluable family businesses." He further said the leadership arrangements that would drive business excellence are best left to the judgement of the shareholders.

Earlier this month, Finance Minister Nirmala Sitharaman had said the regulator should hear if Indian companies have a view on the matter even as she made it clear that she was not "giving a diktat". **PTI**

## New prudential norms: NBFCs get some leeway on bad loans classification

**Mumbai:** The Reserve Bank on Tuesday allowed some relaxation in the stricter prudential norms announced for all lenders, including shadow banks, last November by extending the time till September 2022 to implement the guidelines regarding upgrading an NPA account as standard but upon clearing all dues.

In a circular issued on November 12, 2021, the monetary authority had given time till December 31, 2021 to implement all the stricter prudential norms.

Following representation from NBFCs, in a revised circular issued on Tuesday, the central bank said "the new circular does not, in any way, interfere with the extant guidelines on the implementation of Ind-AS by NBFCs... Loan accounts classified as NPAs may be upgraded as 'standard' asset only if the entire arrears of interest and principal are paid by the borrower. (Also), NBFCs shall have time till September 30, 2022 to put in place the necessary systems to implement this provision."

The November 12, 2021 circular was an improvement on its October 1, 2021 circular on the prudential norms on income recognition, asset classification and provisioning pertaining to advances, wherein the RBI had prevented all types of lenders from upgrading an NPA account after getting only interest dues cleared.

## Sensex claws back lost ground with 1,736-pt leap

**Mumbai:** Equity indices staged a stellar comeback on Tuesday after suffering their worst losses in a year in the previous session as bargain hunters piled into energy, finance and IT stocks amid signs of easing Russia-Ukraine tensions.

The retail inflation rate breached the 6 per cent upper tolerance limit of the RBI for the first time in seven months in January, while the wholesale price index stayed in double-digits for the 10th month in a row, as per official data released after market hours on Monday.

Ajit Mishra, VP - Research, Religare Broking Ltd, said, "Markets have been witnessing a roller-coaster ride and we expect the same to continue in near future. In absence of any major domestic event, updates related to Russia-Ukraine tension and its impact on global markets will be on the radar."

In line with the benchmark, all 19 BSE sectoral indices logged significant gains. Auto, banking, tech, realty and IT indices were the top performers, climbing up to 3.87 per cent. Broader BSE large-cap, midcap and smallcap indices rose as much as 2.94 per cent.

Elsewhere in Asia, bourses in Tokyo, Hong Kong and Seoul closed in the red, while Shanghai finished higher. Markets in Europe were trading in the positive zone in the afternoon session. **PTI**

## Rupee surges 28 paise to close at 75.32 against US dollar

**Mumbai:** Snapping its five-session losing streak, the rupee surged 28 paise to close at 75.32 against the US dollar on Tuesday amid signs of easing Russia-Ukraine tensions.

A recovery in domestic equities and weakness of the greenback overseas further helped the domestic currency, analysts said. At the interbank forex market, the local unit opened on a weak note at 75.60 against the greenback and witnessed an intra-day high of 75.31 and a low of 75.72. It finally settled at 75.32, a rise of 28 paise over its previous close.

On Monday, the rupee had slumped by 24 paise to close at an over nine-week low of 75.60. Meanwhile, the dollar index, which measures the greenback's strength against a basket of six currencies, fell 0.37 per cent to 96.01. On the domestic equity market front, the BSE Sensex ended 1,736.21 points or 3.08 per cent higher at 58,142.05, while the broader NSE Nifty jumped 509.65 points or 3.03 per cent to 17,352.45.

Brent crude futures, the global oil benchmark, was trading 2.76 per cent lower at USD 93.82 per barrel. **PTI**

## LIC policyholders need to update PAN details by Feb 28 to participate in IPO

**Mumbai:** Life Insurance Corporation of India (LIC) has asked all its policyholders to update their Permanent Account Number (PAN) details in their policy record by February 28 to be eligible for participating in its upcoming public issue, according to the draft red herring prospectus (DRHP).

On February 13, the state-run insurer filed draft papers with capital market regulator Sebi for sale of 5 per cent stake by the Government for an estimated ₹63,000 crore.

The initial public offering (IPO) of over 31.6 crore shares or 5 per cent Government stake is likely to hit the market in March and employees and policyholders of the insurance behemoth would get a discount over the floor price.

"A policyholder of our Corporation shall ensure that his / her PAN details are updated in the policy records of our Corporation at the earliest."

"A policyholder who has not updated his / her PAN details with our Corporation before expiry of two weeks from the date of the filing of this DRHP with SEBI (i.e., by February 28, 2022) shall not be considered as an Eligible Policyholder," as per the DRHP.

The PAN updation can be done on LIC's website either directly or with the help of agents. **PTI**
